

As you stroll the scenic trails
of the UT Arboretum,
consider a bench plaque
in memory or honor of a loved one
or to celebrate
your business or organization.

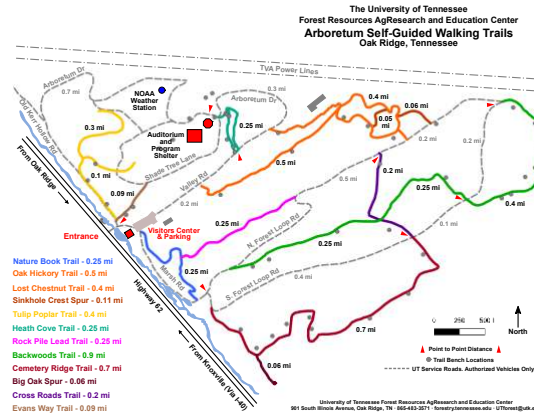

Plaques are permanent
installations. If a plaque or bench is
damaged, it will be replaced
at no additional charge to you.

Proceeds from the bench
plaque program go toward
funding the needs of the
UT Arboretum and the
programs of the
UT Arboretum Society.

Choose a bench, order your plaque,
and enjoy your own special place
to relax, reflect, and renew!
Below, Bo Duncan, a FRREC
employee for 38 years,
enjoys his bench.

Please note: Beautiful as they are, we do not put
plaques on the stone benches
that are found at various locations
throughout the Arboretum.

Pick up a map of the trails
at the kiosk outside the
Visitors Center.
